

PROJECT REPORT TEMPLATE

1. INTRODUCTION :

1.1 OVERVIEW :

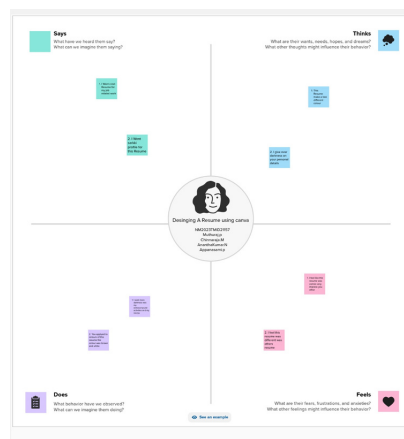

A professional summary gives the hiring manager a quick overview of your skills and achievements without them having to dive into the rest of your resume.

1.2 PURPOSE :

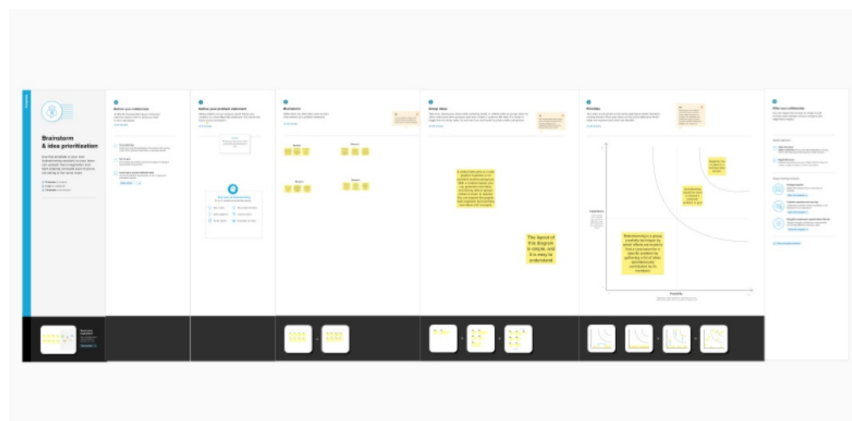

A fresher who wishes to equip myself with additional skills and hone my leadership skills by working with a team that enables me to develop and work hard.

2 . PROBLEM DEFINITION & DESIGN THINKING :

2.1 EMPATHY MAP:

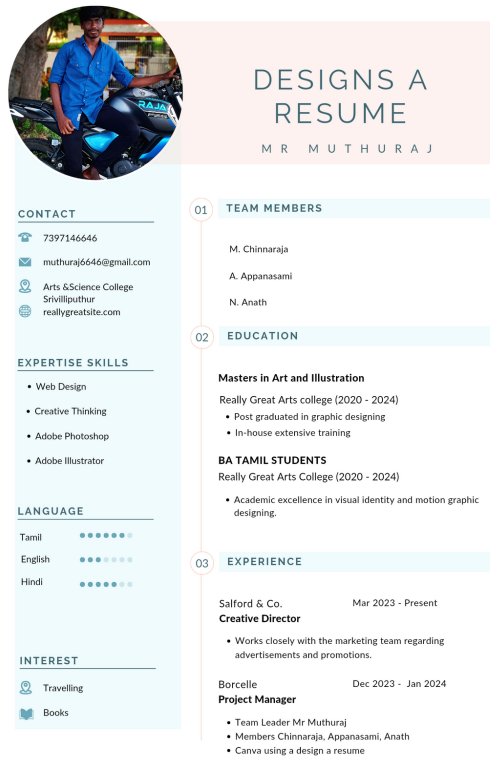

2.3 IDEATION & BRAINSTORMING MAP:

3 . RESULT :

3.1 FINAL FINDINGS (OUT PUT)

4 . ADVANTAGES & DISADVANTAGES :

Most of them are very basic to use and step you through the process.

There are many resume builders available that seem to be affordable

You still have to input your information onto the page or software for the resume builder to be able to complete your resume.

Often you are restricted to use the builder's fonts and formats.

5 . APPLICATIONS :

A resume is usually accompanied by a customized cover letter in which the applicant expresses an interest in a specific job or company and draws attention to the most relevant specifics on the resume.

Before we go into detail about how you should make a resume, here's a summary of the most important steps and tips to keep in mind

6 . CONCLUSION :

The most important element in a resume is the area of declaration which is known to be a formal statement giving an authoritative establishment of facts

To conclude, I can confidently say that my 5 years of experience as a researcher have made me detail-oriented, patient, and able to connect smaller pieces of information to see the bigger picture. I believe these skills will be of use in this position.
